1986 ANNUAL BIBLIOGRAPHY OF ADMINISTRATIVE AND TECHNICAL COMMUNICATION IN CANADA

While most of the following works were published in 1986, this bibliography includes sources from earlier years as well as the current year, 1987. For more complete coverage of earlier years, readers should consult the bibliographies published in the 1985 and 1986 spring issues of Technostyle.

------. "Teaching Writing Based on Corpus-Based Linguistic Research." *Technostyle* 5(Summer 1986):11-17.
