CBC News—

Police say they received information about noon Friday that led them to believe there was something in the marshy area related to the four-day-old case.

Police spokesperson—

“Right now there’s nothing to connect these two incidents other than the proximity.”

CBC News—

Volunteers, meanwhile, continued to comb through the brush on Sunday looking for signs of Keepness, but police were no longer actively taking part.

CBC News –

Forensic investigators found no connection to the missing girl and the search continued elsewhere.
