

*This organism now our citadel never was cathedral, draughty  
tenement of soul, was what it is: ground, stone, wall, cannon, tower.*

*In this intricate structure are we based, now more certainly than  
ever (besieged, overthrown), for its power is bone muscle nerve  
blood brain a man, its fragile mortal force its old eternity, resistance.*

— CHARLES OLSON,  
“The Resistance” (for Jean Riboud),  
from *Human Universe*
