THE CAPILANO REVIEW IS *AN IMAGE OF THE WORLD AS OF NOW*

"It is the only college-supported review in Canada to have discovered that the best writing in the country is not being done in English Departments, and is not being published by Big Presses. Since last Fall, *The Capilano Review* has been the only place where West Coast readers can see a Vancouver view of Canadian writing and graphics."

— GERRY GILBERT

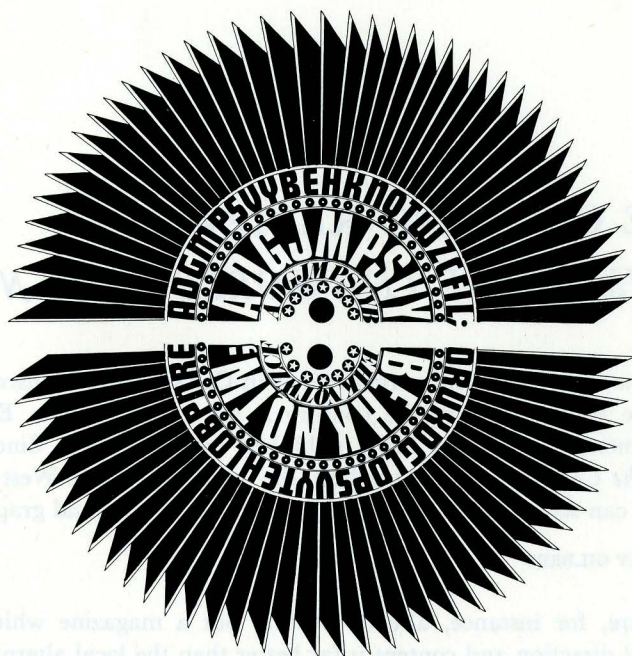

"You are, for instance, already putting out a magazine which for editorial direction and content is far better than the local alternatives. . . . In fact, in the whole country I can't think of a University journal of writing that approaches yours."

— GEORGE BOWERING

"Thanks very much for the copies of *The Capilano Review*. They are amazing, so beautifully put together with such an intelligent balance between student work from the college, work from Vancouver, and the translations. An image of the world as of now. . . . As between UBC, Simon Fraser, and the others in Vancouver, *The Capilano Review* is outstandingly the best."

— WARREN TALLMAN
