

IJEPL Editors Recognize 2014 Peer Reviewers

Penelope M. Earley, *George Mason University*

Daniel A. Laitsch, *Simon Fraser University*

Joan Richardson, *Phi Delta Kappa*

IJEPL articles are initially reviewed by our Graduate Student Review Board. Articles judged to be of sufficient relevance and quality are then forwarded by the Graduate Review Board to the Editors for transmission to three peer reviewers as appropriate.

The IJEPL editors would like to thank the following students and scholars who engaged in review of articles in 2014. Your timely and high quality reviews have enabled IJEPL to publish important research articles covering a variety of topics in policy and leadership. Thank you for your contribution to the quality of this journal.
