

**Brown Bag Lecture Series for 2015-16:
Platform Cooperativism and Open Development - Alternatives to the
Sharing Economy and Collaborative Consumption**

Sponsored by the School of Communication

SFU Burnaby, Mallinson Conference Room (K8652), November 18, 12-1PM

Featuring: Katherine Reilly, Tara Mahoney (PhD Student), Marianela Ramos Capelo (FCAT Fellowship Recipient), plus a guest from Sharing Vancouver

This session will include brief reports from the New School's <http://platformcoop.net/> meeting which will take place November 13 & 14 in NYC, plus notes about the evolving platform economy and its relationship to resilience and sustainability. This will be followed by time for open conversation and networking. We are especially interested to hear from people who are exploring these themes in their own work.

Lunch will be served

Future Brown Bags will be announced shortly.
